## RESULTS THAT REMAIN

Are Appreciated by Scotland Neck  
People

Thousands who suffer from back-  
ache and kidney complaint have tried  
one remedy after another, finding only  
temporary benefit. This is dis-  
couraging, but there is one kidney  
medicine that has earned a reputation  
for lasting results and there is plenty  
of proof of its merit right here in  
Scotland Neck.

Here is the testimony of one who  
used Doan's Kidney Pills years ago,  
and now makes his testimony even  
stronger.

L. Wilkinson, blacksmith, Eighth  
and Church Streets, Scotland Neck  
says "I was bothered by my kidneys  
and had a lame and aching back.  
Doan's Kidney Pills, procured at  
Whitehead's Co.'s Drug Store, regu-  
lated the action of my kidneys and re-  
lieved the lameness and soreness in  
my back."

## LASTING BENEFIT

Four years later, Mr. Wilkinson said:  
"I have had no occasion to use Doan's  
Kidney Pills for the past two years.  
The cure they made for me has been  
lasting. Another of my family has  
used Doan's Kidney Pills for weak  
kidneys with good results."

## "THE WHITE MOLL" TONIGHT

Those who have not seen Pearl  
White, presented for the first time by  
William Fox in his special production  
"The White Moll," should do so at  
The Dixie Theatre tonight.

"The White Moll" was written by  
Frank L. Packard, celebrated author  
of "The Miracle Man," but carries  
an even more powerful appeal than  
the latter narrative. The scenario,  
excellently done, is by E. Lloyd Shel-  
don. Pearl White has a strong role  
in Rhoda, "The White Moll," a crook  
turned settlement worker, and there  
is a delightful romance interwoven in  
the heroine's exciting experiences.

## LEGION AUXILIARY MET YESTERDAY?

Yesterday afternoon the Woman's  
Auxiliary of the American Legion met  
at the home of Mrs. J. H. Alexander,  
Sr., in Clarksville, and although there  
were a number of parties scheduled  
for the afternoon, there were seven-  
teen members present. Mrs. J. H.  
Alexander, Jr., the President, states  
that there are now thirty six members  
of the chapter, and all enthusiastic  
about the work before them.

The principal matter of business be-  
fore the meeting was the dinner to be  
given May 30th, National Memorial  
Day, at which Col. Albert L. Cox,  
Commander of the 113 Field Artillery  
30th Division, during the world war,  
will be guest of honor. This dinner  
will be held at the River Farm of  
Mr. Frank Smith, and the American  
Legion Post will provide the cars to  
take the ladies down. Mrs. Alexander  
urgently requests all members - of  
the Auxiliary who can attend to  
"phone her as soon as possible, so  
that she can advise the Post just how  
many cars will be needed. At eleven  
o'clock the morning of the 30th, Col.  
Cox will make a public address at the  
Dixie Theatre, going from there to  
the Dinner.

Every member is requested by the  
president to wear, on the 30th of May,  
a red silk poppy in memory of those  
who fell. The poppies may be bought  
from Mrs. J. H. Alexander, Jr., at ten  
cents each.

## How About Your Danger Zone?

You've got it—every human being is born with  
it—your large intestine, or colon. It is a long,  
muscular tube—intended to collect food waste  
and remove it from the body.

Plug it up with waste, neglect it, and you're sick  
on your feet. The food waste stagnates, under-  
goes decay, fermentation and germ action.

Allow constipation to become established, and you are liable  
to become definitely and miserably sick—and not on your  
feet either.

Pills, castor oil, laxative waters and salts only force and irri-  
tate the bowels and make constipation a habit.

Nujol works on an entirely new principle.

Instead of forcing or irritating the system, it simply softens  
the food waste. This enables the many tiny muscles in the  
walls of the intestines, contracting and expanding in their  
normal way, to squeeze the food waste along so that it passes  
naturally out of the system.

Nujol thus prevents constipation because it helps Nature  
maintain easy, thorough bowel evacuation at regular intervals  
—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade  
Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey),  
50 Broadway, New York, for booklet "Thirty Feet of Danger".
